## YOU

- are under 27 years old and you are living as a refugee in Charlottenburg?
- want to meet people from your neighbourhood and are interested in how they live their lives?
- would like to get support with daily life activities you are concerned about?
- wish to improve your German?

## What is mentoring?

- In a mentorship you regularly meet with a person who has been living here for longer
- You decide about activities you would like to do together, for example sharing a meal, going out or having conversations in German...
- Your mentor can also support you in difficult situations

## WE - the mentoring programme

### Charlottenburger Hafen -

- organise meetings where you get to know potential mentors
- we are there for you if you have questions concerning the mentoring programme or if there are problems with your mentor
- collect helpful information and transfer them to you and your mentor

**We can find a mentor for you!**
